## Travel and win!

Tour through the four Bavarian travel regions of Franken, Ostbayern, Oberbayern and Allgäu/Bayerisch Schwaben, keeping this card with you. Stay overnight at a member campsite of LCB (Landesverband der Campingunternehmer in Bayern e.V.) and earn a stamp for the region in which the campsite is situated.

In order to win, the participant needs to send in a fully stamped card, meaning with one stamp from each of the four Bavarian tourism regions, by the end of the calendar year.

Sign the card and send it to us at Camping in Bayern Service & Marketing GmbH by Dec. 31. This ensures automatic participation in the competition. The competition occurs yearly.

**Good luck and happy travels through Bavaria!**
